

## Hand Pallet Stacker

with capacities of 1,000 to 2,000kg

# Introduction

## SDA (Single mast)

### Reliable performance with easy maintenance

- / High quality mast steel ensures rigidity, durability.
- / Integral pump, which prevents loosening, leak-proof.
- / High efficiency pump, operating lighter, more comfortable.
- / Lifting speed keeps smooth regardless of loading weight, which is safe to use.

## SDA (Double mast)

- / The stacker can be lifted by handle or foot pedal.
- / Hand control valve precise control convenience.
- / Set the active safety valve to prevent overloading of use.
- / Maintenance-free design, ensures security, reduces service cost.
